You know prayer is important but still find it challenging. Perhaps it's hard to find time, or you're unsure what to do when you pray. Or maybe you feel discouraged by your weaknesses and your inability to overcome them. If you have any of these feelings, you are not alone. Many of the saints struggled in prayer. They were like us. But each time they fell, they got up again and learned to rely more on God's grace. What God did in the lives of countless saints, he wants to do in the lives of ordinary people like us. And that's what this study is about: the journey of prayer God wants to take us on.
